

BONALDO

Cactus

Designer: Giuseppe Viganò

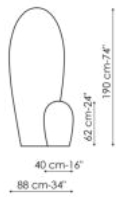

An object that does not need any explanation to understand the origin of its name: with its original design, the Cactus mirror brings a touch of irony to the environments in which it is placed. Cactus is composed of two overlapping elements: a larger silhouette that characterises the mirror itself

and a smaller insert in four different finishes of ceramic or composed of forest green lichen, for an even stronger reference to the true essence of the green cactus.
