

BONALDO

Edgeless

Designer: Ryosuke Fukusada

Large dimensions and no edges give this mirror a soft shape, suitable for large spaces or for visually expanding smaller environments. The characteristic of this mirror is the ceramic frame, available in different finishes, on which the mirror is laid, thus being slightly in relief. The

Edgeless mirror is available in two different sizes, perfect for hanging on the wall or resting on the floor, meeting in this way different stylistic and functional needs.
