

BONALDO

Mida

Designer: Gino Carollo

The Mida collection is named after the mythical King Midas who turned everything he touched into gold. Similarly, Mida seating adds a touch of style to any space, featuring a backrest with a generous, enveloping shape and a metal base that gives the structure a harmonious design. The soft padding of the seat and backrest, combined with the exquisite upholstery

offered by Bonaldo, make Mida the ideal element to position in a living area, around a table, or, in the Mida too stool version, in front of a bar top. The Mida collection includes a chair (Mida), a chair with armrests (Miss Mida) and a stool (Mida too) in two different heights.
